

POINTERS ON THE RACES.

A Most Attractive Card at Morris Park To-Day.

The Pelham Bay Handicap the Only Fixture.

The Morris Park programme of races to be decided to-day is most attractive. A visit to the track will not be regretted, for the sport seems certain to be very exciting.

There is only one stake event, the Pelham Bay Handicap, for three-year-olds, judged by the quality of the entries it will prove a cracking good contest. Sir Walter, Glenmoyle, Bassett, Prince George, Ramapo, Rainbow, Sir Francis and Comanche are among those named to go. The weights are nicely adjusted and will bring the lot close together at the finish.

Raceland, Aloha, Illume and London ought to make an interesting race of the second. A big field of maidens go in the opening event, and a good class of sprinters start in the last race.

The entries and selections are as follows:

First Race—A sweepstakes of \$10 each, with \$500 added, for maidens two years old, five furlongs.	Second Race—A handicap sweepstakes of \$15 each, with \$100 added, one mile and a furlong.
1770 E. V. Sander's Rosewood colt.....115	1760 M. J. Sander's Rosewood colt.....115
1771 E. V. Sander's Rosewood colt.....115	1761 M. J. Sander's Rosewood colt.....115
1772 E. V. Sander's Rosewood colt.....115	1762 M. J. Sander's Rosewood colt.....115
1773 E. V. Sander's Rosewood colt.....115	1763 M. J. Sander's Rosewood colt.....115
1774 E. V. Sander's Rosewood colt.....115	1764 M. J. Sander's Rosewood colt.....115
1775 E. V. Sander's Rosewood colt.....115	1765 M. J. Sander's Rosewood colt.....115
1776 E. V. Sander's Rosewood colt.....115	1766 M. J. Sander's Rosewood colt.....115
1777 E. V. Sander's Rosewood colt.....115	1767 M. J. Sander's Rosewood colt.....115
1778 E. V. Sander's Rosewood colt.....115	1768 M. J. Sander's Rosewood colt.....115
1779 E. V. Sander's Rosewood colt.....115	1769 M. J. Sander's Rosewood colt.....115

Winners in maiden races are hard to pick. On form, however, the best of the lot seem to be Hartford, King's Daughter and Enfield, and they may finish as named.

Second Race—A handicap sweepstakes of \$15 each, with \$100 added, one mile and a furlong.

Raceland and Aloha seem to have this race between them, and they should finish as named. Hartford, King's Daughter and Enfield, and they may finish as named.

Third Race—A sweepstakes of \$10 each, with \$500 added, one mile and a furlong.

Helen Nichols seems to have a mortgage on this event. He ought to win hands down, but he will be very much improved by late that he may beat by a nose.

Fourth Race—A handicap sweepstakes of \$15 each, with \$100 added, one mile and a furlong.

The weights in this handicap bring Basett, Prince George and Ramapo very close together, and the writer predicts them in the order named.

Fifth Race—A sweepstakes of \$10 each, with \$500 added, one mile and a furlong.

The closing event may be won by Tom Harding, with a margin of a head and a quarter not worse than three.

POOL-ROOM MEN WILL FIGHT.

Determined to Open for Business in This City To-Day.

Track Bookmakers, However, Discredit Their Intention.

Pool-room proprietors, of which Peter Dan Lacy is the acknowledged leader, have declared again and again that the pool-rooms will be open on Oct. 2. Other men, however, declare that they will not. Among them is Moses Dinkelspiel, Assemblyman from the Sixth District.

He is reported to be in partnership with child & baby, bookmakers, and does take care of their book at the race tracks. He also looked after their pool-room business in this city before the rooms were ordered closed when the law passed last Winter.

Assemblyman Dinkelspiel was seen at Police Headquarters by an "Evening World" reporter.

"Neither Mr. De Lacy nor anybody else representing the pool-rooms," he said, "has the slightest idea of opening in October. So far as this city is concerned, the pool-room business is dead. The law passed last Winter says that they cannot keep open and transact business. No man who is a pool-room owner will try to evade that law. They must remain closed until the law is repealed."

"If it is attempted to be made in the next Legislature to repeal that law," he asked, "will you support it?"

"That I cannot say with any degree of certainty," he replied. "I suppose, examining the bill, that some attempt will be made."

One thing is certain, that the bitter struggle between the race track owners and horse owners and the proprietors of pool-rooms is going to have a big effect upon the political situation here this Fall. Year after year the pool-room men have been contributors to Tammany, and in return, Tammany has protected their interests to a certain extent, and allowed the pool-rooms to remain open for four years.

Wonderful Story of Surgery Told by a Chicago Drummer.

Trouble Ensued When the Patient Tried to Sing in Church.

The Chicago drummer who tells the wonderful story of his surgery was in town again last week. Two years ago he related how two doctor friends of his had successfully removed a diseased stomach from a patient and grafted into its place the stomach of a sheep, and how the patient became perfectly healthy, but had to subsist on grass in Summer and hay and bran mash in the Winter, says the Detroit Tribune.
